PARENT HELPERS

Parent (and Grandparent) help is required during the year. If you are able to assist in any of the areas listed below please complete the tear off slip and return to the office.

Canteen Canteen helpers are required Monday to Friday – 10:30am to 2:00pm. On-the-job training and lunch is provided. The canteen operates on a once a month roster. It's a great way to meet new families and the kids love to "show mum off" to their class mates!

Uniform Shop The uniform shop opens every Thursday afternoon – 2.30pm to 3.00pm and Friday morning – 8:30am to 9:30am. The roster is also once a month. If you pick your child up of an afternoon or drop them off of a morning maybe you can come in a little earlier or stay a little longer.
