### Purpose

Sport and Physical Activity Policy supports the planning and delivery of high quality and safe sport and physical activity programs.

### 1 Implementation

- 1.1 Hastings Public School Sport and Physical Activity Overview developed in consultation with staff.
- 1.2 Sport and Physical activity curriculum requirements are monitored through program supervision procedures
- 1.3 Additional sport and physical activities are integrated into Key Learning Areas
- 1.4 Whole school programs support and encourage student attitudes and participation in sport and physical activity.
- 1.5 Risk assessments are undertaken for all sport and physical activities.
- 1.6 Guidelines for the Safe Conduct of Sport and Physical Activity in Schools is consulted in the preparation of risk assessments.
- 1.7 Professional learning is available for all staff through the Department of Education Sport Safety Guidelines

### 2 Evidence

- 2.1 Meeting agendas / minutes demonstrating adherence to policy.
- 2.2 Class timetables demonstrating correct allocation of time.
- 2.3 Risk assessments for sporting events.
- 2.4 Permission notes for sporting events.

### 3 Policy Review

- 3.1 SASS staff to review risk assessment folder at the conclusion of each term to ensure HPS Sport and Physical Activity Policy is being adhered to.
- 3.2 HPS Sport and Physical Activity Policy presented to staff annually in K – 6 meeting for ongoing review.
- 3.3 HPS Sport and Physical Activity Policy to be tabled and ratified annually at a P & C meeting.
- 3.4 Sport and Physical Activity Policy and Program at HPS evaluated cyclically as part of the school's evaluation plan.
