K-2 HASTINGS HERO

MADDOX STYLES

Our K-2 Hastings Hero award is proudly presented to Maddox Styles (2M) following an email the school received from his very proud mum! The citation reads ...

In October, while driving back to Port Macquarie along the North Shore beach, we came across a truck that was bogged scarily close to the water and the tide rising. The driver had actually given up trying to get his truck out and in desperation had started to dig a wall around the truck to help stop the water from coming in. In the vehicle was a toddler and a dog. My husband pulled up on the high side and started to strap the bogged truck to his in an attempt to free them. Without hesitation, my son Maddox, jumped out of our truck and yelled 'I'll get the tyre pressure down Dad!' Maddox then grabbed a stick and used it to let the trapped truck's tyre pressure down. He never took a second to think about the water splashing up on him, or how scary this situation really was. He just helped however he could. After about 20 minutes we towed the truck free! The driver was so grateful and we were so proud of our brave boy. It wasn't until we were all on dry land that Maddox fully realised how serious the situation was. The driver stopped his truck and literally started emptying water out of the sides of his truck! So close. Congratulations, Maddox! At the age of 8 your bravery and calmness under pressure made you a true beach rescue hero that day!

END OF YEAR

This will be the last newsletter of 2016 unless an urgent matter arises during next week. We thank everyone for their support over what has been a very successful year for our school. The parents of Hastings make the work of the teachers and support staff a pleasurable task. We wish everyone a safe and prosperous vacation and look forward to welcoming back many for our 2017 school year.

We would also like to say farewell to our 76 Year 6 students. Enjoy your farewell on Thursday night and we wish you all the best for the future.

First day back for all students going into Years 1 to 6 in 2017 is Monday, 30th January. On arrival at school keep your school bag with you and make your way to the COLA to catch up with friends. You will be welcomed back at 9am morning assembly. New families are asked to come to the office from 8:45am.

FAREWELL

We are saying farewell and thank you to two wonderful Hastings staff members.

Peter Charles

Our Chaplain, Peter Charles leaves us after commencing with the school in 2008. Peter was appointed under the Chaplaincy in Schools program and has enriched the lives of many students over his nine year stay. His behind-the-scenes work in counselling and advising students has allowed these students to take control of situations they thought were unmanageable and begin to take steps to change for the better. Peter's five children have been students of our school, making the Charles "connection" an important part of our school. We

thank Peter for his sterling service and wish him well as he engages with the building industry of Port Macquarie. His contribution will be missed.

"Feed the hungry, and help those in trouble. Then your light will shine out from the darkness, and the darkness around you will be as bright as noon." Isaiah 58:10

Cheree Davis

Mrs Davis, who has been at Hastings for the last four years has been appointed to Kempsey West Public School and commences there next year. Cheree has brought much to our school especially in the field of art where many of our students have flourished under her guidance at the lunchtime Art Club. The students have excelled to the stage where their work has been displayed throughout the state as part of Expo Art and also in Japan as part of the Nagoya Sister School Art Exchange. The abiding memories our students will have of Ms Davis are care, consideration and understanding. We thank Cheree for everything she has done for our school and know Kempsey West is fortunate to receive this committed professional.

OPERATION ART

Congratulations to Caprice Bylund (4G), Catrin Fieldsend (5HP), Keeley Dawson (3S) and Eliana Morton (3H) who have had their artwork selected for Operation Art.

These artworks were selected for exhibition at Olympic Park and now adorn our foyer.

HASTINGS HEADLINES

Benjamin Grummitt (1/2R)

Congratulations to Benjamin who was awarded Westport Tennis Club's Junior of The Year for 2016. Benjamin loves his tennis and was quite surprised to receive the trophy last week. The Grummitt family would like to thank Mark Rawlingson from Westport Tennis for his coaching which has greatly improved Benjamin's game during the year.

HAMPER DONATIONS

Thank you everyone who has sent in a donation for our Christmas Hamper raffles.

All donations must be in by Tuesday, 13th to allow P&C to make up the baskets.

Last year we had 23 lucky winners. Can we beat this record?

RAFFLE TICKETS

All raffle tickets, sold and un-sold, must be returned next Tuesday, 13th December.

Again, thank you to everyone who has supported P&C and the school by purchasing / selling their tickets.

REPORTS

A reminder that reports will be issued next Monday. Many students can take pride in their achievements that are the result of commitment and application. Parents are asked to read carefully all aspects of their child's report, especially absences as we have a worrying number of students whose absences are obviously affecting their progress. If a child has 25+ absences in a year (and we have a number of these) he or she has missed half a term's work which will be very difficult to recover from. Please ensure your child or children are at school as often as possible to give them the chance to succeed in this competitive world.

WEDNESDAY AFTERNOON PICK-UP

Next Wednesday will see some classes pack up and move to the classroom their teacher will be in next year. If you pick your child up from the classroom you may want to make alternative arrangements for Wednesday, Thursday and Friday next week and pick them up from the COLA as they might not be where you left them in the morning!

and 2017 Pick Ups

A request for all parents to please make afternoon arrangements to meet your child/ren in a designated area under the COLA or along the school's boundary fence. Waiting outside the classroom is a distraction for all in the class and students may miss hearing home time instructions.

2017 CLASSES

The school has received a record 224 requests from parents regarding placements for their children for next year. We will try our best to accommodate all these requests but wish to advise sometimes there are conflicting requests i.e. one family wants their child to be with a certain child because of friendship reasons while the parents of the other child would prefer their child to develop some independent skills away from their friend. The parents who listed six or seven friends they would like their child to be with must understand we will try to match at least one or two but can't guarantee everyone nominated will be included.

ATTENTION YEAR 5 - 2016 / YEAR 6 - 2017

As is the tradition, Year 6 students have an opportunity to purchase a Year 6 school polo shirt which can be worn in place of the everyday polo. Orders will be taken early in Term 1 and the shirts should be back to start Term 2.
