HASTINGS HAPPENINGS

Respect - Responsibility - Initiative - Resilience
Commitment - Courage - Achievement

EASTER CELEBRATIONS

There were some very creative Easter Hats proudly paraded around the COLA this morning. Thank you to everyone who donated to the Easter raffle and/or purchased or sold tickets. A record 32 goodie filled hampers were put together and there were many very happy winners. Thanks again to Rydges Sails Resort for their generous donation of the major prize. *Pictured is Billy Brockhouse collecting the major prize on behalf of his brother Max.*

FILMING SCHOOL EVENTS

We have a number of families who have requested their child or children not be photographed nor the images reproduced in any form. We also have some students who are not to be filmed for legal reasons. This ban includes our newsletter, website and any social media sites. To this end, we have discovered photos and film footage of many students have been posted on social media by parents of our school who have not gained permission from each child's parents.

We now have to ask all parents attending school functions not to photograph or film events as they are happening as there is no guarantee you won't be able to exclude other children from your images. If your child receives an award and you wish to capture this moment for posterity, wait until the end of the function and then take an individual shot.

YOUNG ARCHIES

Congratulations to ex-student Tait McIntyre for winning the Young Archie Award for her portrait of Beethoven she created last year. Congratulations also go to Kyla Patterson who was a finalist with her Malcolm Turnbull caricature.

MOBILE DENTAL SERVICE

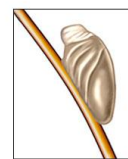

We were expecting this service to commence operating at Hastings last Monday but the van has been delayed at its present school due to a higher than expected number of applications. We have been assured the service will commence next Thursday. We thank parents for their patience.

HEAD LICE

There has been an ongoing outbreak of head lice in the school. Would you please use the extra time over the Easter Long Weekend to thoroughly check the heads of your children. Please note, treatments are not 100% effective and not all eggs will die following treatment. The best and safest treatment we can recommend is to treat your child's hair with a treatment you are happy to use, then get a fine tooth comb and a good 3 hour movie. The only way to eradicate nits is to remove ALL eggs otherwise the hatch and breed cycle starts all over again!

NETBALL SCHOOLS CUP

Our two teams – Royal Blue and Sky Blue – enjoyed a successful day yesterday at the Netball NSW Schools Cup. Both teams were undefeated with the Royal Blue team winning two games and drawing two. The Sky Blue team won their five games and finished first in their age group. Our two teams were:
