Julia Shearsby & Katie Wilson
you are our pot of gold!

***We thank you for your
organisation, commitment, hardwork and stamina
in making Hastings Hullabaloo 2019 an outstanding success
and a new Hullabaloo record!***

I would like to give a very big thank you to our Fete organisers, Julia Shearsby and Katie Wilson. Our Hastings Hullabaloo was an absolute success with the entire community joining in their efforts to support our school. This was a huge amount of work to organise, gain support for and to pull off on the day.

A big Thank You also to the productive team of volunteers who contributed in the lead up to the event and on the day. The Hastings Hullabaloo was a great success because of the contribution of every single one of you – students, staff, parents & friends!

P&C would love your feedback. Please take a couple of minutes to complete their survey at <https://www.surveymonkey.com/r/QTZN86H> The survey is anonymous.

COMPULSORY EMERGENCY EVACUATION DRILL

We will hold off-site evacuation drills during next week.

With the fire emergencies over this past few days, this is a timely drill given the bushland that surrounds our school.

If you have not returned your child's permission note to participate in this compulsory drill, please do so on Monday.

INTERNATIONAL HONOURS!

Report by Stephanie Dun

Last Thursday seven students flew to Hobart for the International Finals of Tournament of Minds. The next day, Friday, we were bussed to Hobart Town Hall for the Opening Ceremony which included an engaging "Welcome to Country" and the introduction of the teams. Afterwards we were bussed to Richmond Historic Village where we saw many historical icons, including a lolly shop!

After our time at Richmond we headed off to Bonorong Wildlife Sanctuary where we saw many animals including wombats and a Tasmanian Devil.

Saturday was competition day at the University of Tasmania for our three hour lockdown preparation. During this time we had to make something that would let a ping pong ball (a living organism) down a metal frame in as close to 20 seconds as possible.

After our performance we were taken to the Derwent Entertainment Centre for the presentation. The event was very entertaining and everyone was very encouraging. Our

team, myself, Jamie Knott, Tim Lawrance, Drew de Silva, Benjamin Grummitt, Frida Aaso and Addison Lunn received Honours (which is like coming 2nd). A massive achievement!

Following the presentation we went back to our accommodation where everyone had heaps of fun, playing games, including the Stair Sliding Olympics!

We would like to thank everyone who supported our fundraising events and activities to help us get to Hobart.

CHICKEN POX

We have a confirmed case of an immunised child having Chicken Pox. The incubation period is 14-21 days so if your child shows flu like symptoms in the next couple of weeks please check for spots! Students with chicken pox are excluded from school until they are fully recovered or at least 5 days after the eruption first appears.

NEWCASTLE PERMANENT MATHS COMPETITION

The Newcastle Permanent Maths competition is run each year to test the numeracy and problem-solving skills of Stage 3 students across regional NSW. The competition started over 35 years ago and continues to grow, attracting almost 19,000 students from 337 schools this year. Congratulations to the following students for ...

INTENSIVE SWIMMING SCHEME

Nine (9) places are still available for the Year 2 Intensive Swimming Scheme which starts on Monday, 11th November. This is a 10 consecutive days program which runs regardless of the weather (with the exception of electrical storms). Cost is \$60.00 per student and includes bus fare, pool entry and professional tuition. If your Year 2 child is a non or poor swimmer we highly recommend this program. If you have lost your forms please contact the office for another copy.

MONEY!

We advise parents it is becoming more and more difficult to change larger denomination notes into smaller notes and coins to be shared with siblings. The office and canteen do not keep money onsite overnight and with the increasing popularity of becoming a cashless society, change is not always available.

LEFTOVER CONTAINERS

There are many containers left behind following our Hullabaloo. If you donated cakes/slices please call into the canteen to pick it up. The canteen will put all unclaimed containers to good use!

HASTINGS HEADLINES

Recently we congratulated Tom Gallagher & Abe Whitfield on being selected for the Mid North Coast Junior Cricket Academy. Now both boys have been selected in the Under 12's Hastings River District Junior Cricket Association Representative Team and will play their first match on Sunday 3rd of November. Good luck boys!
