## WHAT'S ON at HASTINGS ... WEEK 1: TERM 4

https://hastings-p.schools.nsw.gov.au/events.html

#### Saturday, 10th

Uniform Shop Open 9am to 12pm

#### Monday, 12th October

All students (& staff) return for Term 4

#### Wednesday, 14th

Year 6 Dance Workshop

#### Thursday, 15th

Year 5 Dance Workshop

#### Friday, 16th

Year 3 Dance Workshop

# HAPPY HOLIDAYS

It has been an exhausting term and I hope that everyone enjoys some fun and relaxing family time. We have had excellent activities taking place in classrooms over the last week and I am sure the children have enjoyed the lead up to the holidays. Stay safe and healthy during the break.

EVERYONE RETURNS FOR TERM 4

Monday 12<sup>th</sup> October

(there is NO PUPIL FREE day

to start the term)

# PRINCIPAL MATTERS

#### **P&C Thank You**

Many thanks to our P&C Association who presented staff with a \$500.00 KateCaters voucher on Monday. In the words of P&C President, Amy Vallentine ...

"for the teachers and support staff to say a HUGE thank you for everything you have done for our children over what feels like the longest term in the history of school"!

Pictured are Kim Burton and Cherie Fletcher representing the P&C with staff members Trish Brest, Linda Xerri, Sue Wilson & Mel Bourne

#### **COVID Safe Practices in Term 4**

The Department of Education released revised guidelines for schools for Term 4 yesterday afternoon. I am aware that aspects of these guidelines have been promoted in the media this morning. There are however lots of details and conditions that are required for some events and programs that we will need to thoroughly examine over the holidays in order to work out what can and cannot take place in Term 4.

Many programs such as Kindergarten Orientation take over a term to plan and therefore if they go ahead will need to be modified significantly. The school executive will meet in the holidays and create a plan that will hopefully meet our needs, satisfy all of the requirements and support our school community. We are well rehearsed now in creating new ways of doing things and once again, we will work within the current situation, whilst sticking to all of the guidelines and ensure great experiences for our children. This certainly is some great news and we feel excited.

#### Some things that are NOT changing

- Unfortunately parents and carers are still not allowed on site and cannot attend school events
- School drop off and pick up arrangements will remain in place
- P&C meetings must remain online
- Physical distancing requirements for staff are still in place with school spaces marked with number of adults allowed
- Hygiene practices will still be place
- Students still need to bring their own drink bottles and refill as required no drinking from bubblers
- Same guidelines for students who are ill
- Enhanced cleaning practices will continue
- School Assemblies can still only take place if necessary and can only go for 15minutes

#### What we need to consider and plan for:

**Camps** – these can not take place if they are interstate. Therefore the Canberra Camp for Year 6 will not go ahead. There are also significant and very difficult restrictions and planning requirements to meet with any camps. We will look at alternatives and think creatively to see what we can do for both Year 6 and Year 4.

**Year 6 Formal and End of Year Presentation Day** – this will go ahead but within the guidelines. Unfortunately there can be no parent / carer involvement on site, but again we will have our creative hats on to see what we can do to get parents involved.

*Kindy Orientation* – we will create a modified version to try and support our new children coming to school in 2021.

Band Program - this will resume but with a revised format to meet restrictions

As you can see, we have a great deal of planning to do. Whilst, our best hopes can still not be met, we are confident that we can still provide great experiences for our students. Full details will be ready to share in Week 1. We are extremely grateful for the support and understanding of our community. As we move forward into Term 4, we will all continue to work together and support each other to get the best possible outcomes despite all of the things happening around us that we cannot control.

#### **Early Arrivals at School**

This week I have noticed many children arriving very early at school. Some children are walking into the school as early as 7:45am. There may not even be any staff on site this early. Any staff members who may arrive this early are likely to be in an office or in their classroom preparing for the day and therefore not even be aware of children needing care. No supervision for children is in place until 8:30am. Children coming into school this early is not safe. Please arrange for before school care if you need to be at work before this time.

#### **COLA**

I have attended a start-up meeting this week and the COLA construction over our netball court will commence in Term 4. All going well we should finish the year with another sun safe outdoor learning space for our students to enjoy.

Jodie Paterson

#### **EDUCATION RESOURCES LEVIES**

Online payments for the Education Resource Levy can continue to be made over the holidays. \$50.00 per student per year is a small price for pay for your child's exercise books, maths & science games, English resources (Home Readers and class novel sets), art & craft supplies and helps cover the increasing paper & photocopy costs. Contributions

FAMILIES INVOICED \$33,000

PAYMENT RECEIVED \$13,500

OUTSTANDING \$19,500

are voluntary but the \$19,500 outstanding will go a long way to buy further resources to assist every student. The link for online payments is ...

#### **SCHOOL PHOTOS**

Your child's unique Shoot Key is required on photo day to help identify your child from the other 654 students at school. All students should return their School Photo order envelope or the pink reminder note that was sent home last week. If you have lost your order envelope or thrown out the pink note please email the school over the holidays and we will send another copy home next term. If you are a parent not living in the family home or you would like a sibling order envelope sent home please email the school over the holidays and we will send home when school returns.

# MULTICULTURAL PERSPECTIVES PUBLIC SPEAKING ZONE FINALS

Late last week, we received the fantastic news that two of the speakers whose videos were sent to the Arts unit for placement into Zone Video finals have been selected to progress into the Regional Live Finals of the Mulitcultural Perspectives Public Speaking competition early next term.

Tallin Morris (Year 4) and Madison Hopley (Year 5) were adjudged to have presented speeches of significant quality, meaning and purpose amongst a huge field of around 100 entries from across the state. Tallin & Madison will present their speech to a zoom audience from around our region and also prepare and deliver an impromptu speech with just 5 minutes preparation time.

We wish them both the best of luck!

# FINAL DEBATE for the ZONE ROUND ROBIN HASTINGS OPINIONATORS vs HASTINGS DEBATEINATERS

Emily, Felicity, Tia and Jessica

Debateinaters Isaac, Oskar, Bella and Meredith

As has been the case the last two years, to determine the team who will progress into the knockout phase of the Premiers Debating Challenge it came down to the two Hastings teams to argue their way to the top spot in the zone.

The topic that was selected was, "That Year 5 and 6 students should vote on books and films they study", a rather complicated topic for both teams to address under the Education banner. The Debateinaters (Isaac Lavis, Bella Shuhyta, Oskar Morris and Meredith Davies) were the affirmative team which left the Opinionators (Emily Crossingham, Felicity Stelling, Jessica Dun and Tia Thawani) as the negative team. As the affirmative, the Debateinaters argued that when the change comes in students' engagement and learning outcomes will improve, that students will feel empowered by the power of choice they are being given and that they will have greater variation in the texts they study. The Opinionators argued that teachers are the trained professionals and therefore should be the ones with the power to choose what is studied, that educational outcomes for students is fine the way it is, that teachers are already overworked and this will add to their workload and that it will cause unnecessary unrest and arguments amongst the students. In a very high quality debate, the adjudicator deemed the Opinionators the victors due to their focus on current education benefits and the systems in place which have worked for many years. They now move on to the knockout rounds of the challenge and have drawn to debate against Collaroy Plateau Public Classics in Week 2 of Term 4.

Congratulations and best of luck with future debates!

#### ICAS COMPETITIONS

ICAS High Distinction certificates are awarded to students who placed in the Top 1% of participants; Distinction – the next 10% of participants; Credit – the next 25% of participants and Merit – the next 10%. Results for the English and Science competitions are back and congratulations to the following students who received their certificates at today's Assembly.

<b>ENGLISH</b>	YEAR 2	YEAR 3	YEAR 4	YEAR 5	YEAR 6
Distinction				Jessica Dun	Bowen Hansen Isaac Lavis
Credit			Joshua Earl Robbie Lavis Manni McGrath Addison Rolfe	Harper Rice	Oskar Morris
